

Exercise 5: I can control my pencil pressure - Settings

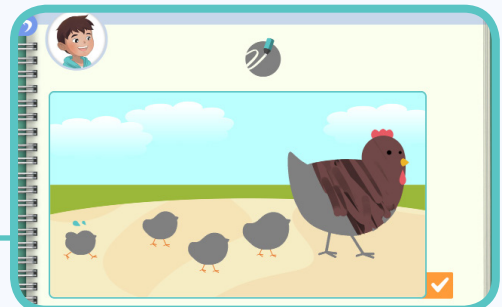

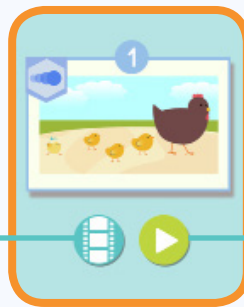

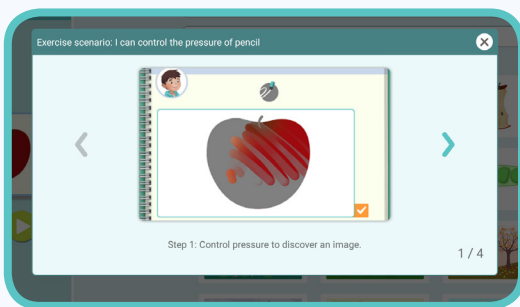

After you have created a new sequence, select «**I can control my pencil pressure**».

Complete the exercise form by entering the **options** and a **visual** to work on.

You can verify your exercise with the visual on the left. The «**scenario**» button shows each step in the exercise. The «**play**» button allows you to try the exercise for yourself (the strokes will not be saved).

★ To complete your exercise click «**validate**». Your exercise will be available in your sequences and on your students' tablet.
