

Exercise 7: I can identify different words and letters

Description

"I can identify different words and letters" is an exercise designed to help children recognize letters, groups of letters, words in a sentence or individual words. This lesson helps students identify capital letters, lower case, script writing, as well as cursive.

Exercise Advantages

- Groups of words are selected by the teacher
- An analysis of correct and wrong responses
- Associate letters with reading and the number of letters in a word

Drag the words **RASPBERRY** and **BLACKBERRY** in the right boxes.

raspberry	grapefruit	RASPBERRY
cucumber	blackberry	BLUEBERRY
blackcurrant	date	strawberry
blackberry	BLACKBERRY	

RASPBERRY

BLACKBERRY

On the board, drag the missing words in the sentence:
An ostrich runs very fast.

fast	oceleot	fish
octopus	ostrich	
slowly	fat	furious

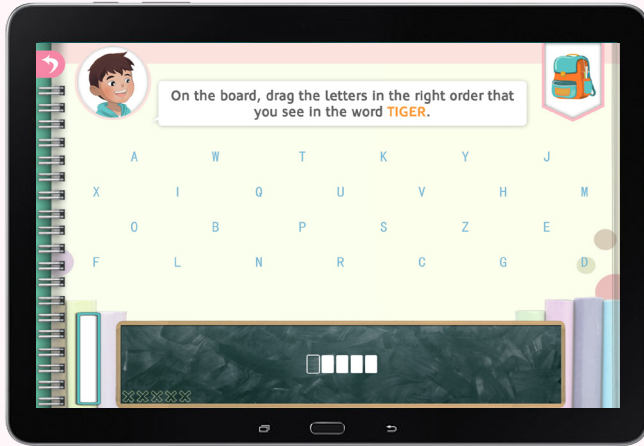

An _____ runs very _____.

Exercise 7: I can identify different words and letters

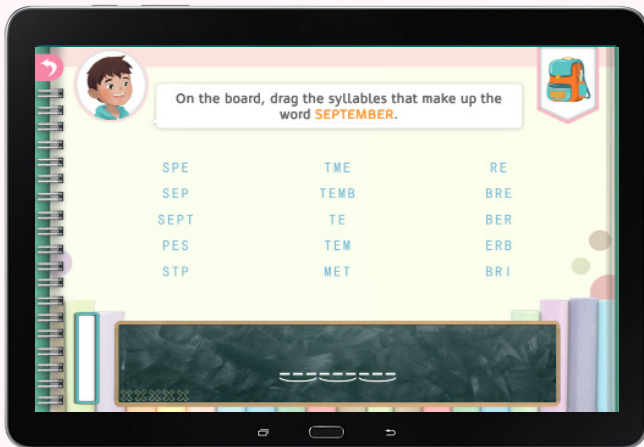

Identify letters

- Create a word letter by letter
